That's great news!!! Please request the electronic cover letter and report from Annette Jacobi since it originated from her area! I do not need the original copy that routed. You could ask Maria what she did with the original copy and route slip—I am not sure.

Have a fabulous day!!!

Subject: Alt to Abort. Report

Dr. Cline has signed off on the Alternatives to Abortion Report. So, refresh my memory, did you say you will email me the cover letter and report electronically now for me to do a line-by-line comparison? Does that mean I keep the original, or do I give it back to you?
